

## Southern Living at Home Fundraising Opportunity

Are you interested in raising money for the Society?? I know that I am and together we can make it happen. Here is how it works:

1. Email me and let me know that you would like to host a fundraiser internet catalog show
2. I will set you up as the hostess and will email you a link to the online catalog.
3. You can then email your friends, family, and co-workers to let them know about the show and the online catalog. I will email you a letter that you can share that will have instructions on how they can place an order, as well as the current monthly specials.
4. After 1 week from the start of your show I will contact you and we will close your show out.
5. **I will then send the Society a check for 25% of the total retail of the order** (that is my commission)
6. Approx. 1-2 weeks from the close of your show you will receive the order to distribute.
7. You will also receive FREE beautiful SLAH merchandise for collecting and distributing the order
